AVAILABILITY OF PUBLIC NOTICE

An application has been received by the Commander First Coast Guard District from the City of Boston for a U.S. Coast Guard Bridge Permit to construct a new Northern Avenue Bridge over the Fort Point Channel. The new fixed bridge will have a vertical clearance of 16.27 feet across the navigation channel and a horizontal clearance of 76 feet. The channel through the proposed bridge will align with the channel of the adjacent Evelyn Moakley Bridge.

Public Notice 1-181 dated August 25, 2020 is published on the Coast Guard Navigation Center web page: <https://www.navcen.uscg.gov/D1BN>

The public notice contains a description of the proposed bridge project and includes location maps and bridge drawings with navigational clearances. The public notice may also be obtained by calling the First Coast Guard District Bridge Branch at 617-223-8364, by writing to the address above, or by email request to Jeffrey.D.Stieb@uscg.mil.

Interested parties are requested to express their views, in writing, on the proposed bridge project including its possible impacts to the environment and navigation. Comments will be received for the record through September 28, 2020.
